AMERICAN LEGION AUXILIARY ALASKA GIRLS STATE

DAY 5, 2019

CITY OF EAGLE

The Eagle Eye Watch 6/22/19

Special Shout out to the consulers

You guys have put up with so much drama and disagreements from every citizen. You guys work tirelessly to make this week the best, most educational week of our lives. I don't think you know how much you guys are appreciated here. Even if you disagree with each other, you guys somehow keep your cool and come to either a compromise or to the correct answer. We may not know how you do all the work that you do, but we do know how grateful we are to have you here with us. Thank you so much.

CITY OF KENAI

22 June, 2019

As the American Auxiliary Alaska Girls State 2019 session starts to come to a close, though the girls are firing up. Today we had many thought provoking bills presented to the House floor. Some of which included very thought out debate and well written amendments.

There were also two conference committees that met to discuss the bills anti-anti-vax, Nicotine ban, and drunk driving prevention. After much thought, discussion, and debate, the committees finally came to a compromise.

Outside of legislative sessions the girls are hard at work on campaigns. (congratulations to Morgan Bolen for winning the primary for Governor, representing the colonist party). Citizens are writing speeches, talking about their bills with fellow citizens, and hanging posters. Tonight are the general election speeches and tomorrow morning are the elections. We even have a write in candidate running. Tai Manan Jenkins is running to be governor. Despite everything going on and having so much to do, everyone is still hard at work and rising to the challenge.

As the days move by, so is the coming end of the 2019 American Legion Auxiliary Alaska Girl State. However, this does not disincline the hard work these girls are putting forth in order to finish strong. These young women have come so far from where they started. And now they spend their days going through legislative session while swimming in the lake and hanging around the dock.

Interview of Wilbur Peeples

Wilbur Peeples, originally from Georgia had the began his service in November 1958 in the Air force and had served until 1981. Ever since his retirement he has been active with the American Legion and as he was overseas, he had been inactive for 9 years. North Carolina He had lived in North Carolina for 7 years than he came to Alaska and had been in Palmer ever since. He is now an American Legion Wasilla member. *Personal Note- Talking to Mr. Peeples truly was a good interview. A well versed man with wisdom. If time was longer, I would have enjoyed speaking to him through my recreational time.*
