

2022 President's Poppy Project

2022 is Alaska's 100th Anniversary. We are going to have a celebration with different activities. We are requesting

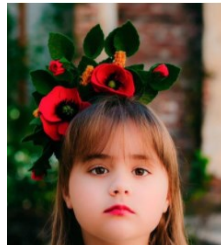

**All members who will be attending
the Department Convention**

to participate in the President's Poppy Project including

Our Junior Members

The President's Poppy Project is to create a 100th birthday hat. The hat should contain at a minimum one poppy (and more than one is better). At the Department Convention, each Unit will review the hats brought by their Unit members and select one to represent their Unit for the President's Poppy Project. We will also have a parade of all hats and the winning hat will be selected from the ones chosen to represent each Unit.

Here are some ideas to help you decide what you want to create.

SEE YOU IN APRIL!!!!
