OBJECTIVE: Actively encourage all eligible American Legion Auxiliary Alaska Girls State citizens and alumnae to join the American Legion Auxiliary.

Action Steps:

- Develop a presentation to showcase the American Legion Auxiliary mission, history and relevance to current issues affecting military and their families.
- Promote opportunities and benefits of membership as a resource for volunteerism.
- Actively engage American Legion Auxiliary Alaska Girls State citizens and alumnae to pass on the importance of membership to other eligible family members.

Programs and Activities:

American Legion Auxiliary Alaska Girls State Core Program – American Legion Auxiliary Alaska Girls State is a non-partisan program that teaches young women responsible citizenship and love for God and Country. Since the inception of the American Legion Auxiliary Girls State program in 1937 nearly one million have had the opportunity to learn firsthand how their local and state government works. The program has grown from a few hundred participants to nearly twenty thousand annually. High school girls who have completed their junior year spend an intensive week of study, working together as self-governing citizens. These young women learn government by actually creating a mythical state through the election of public officials on local, county, and state levels and then carrying out the duties of these respective offices.

Samsung Scholarship – The Samsung Group, an international company, has endowed a scholarship of \$5 million to be administered by the American Legion.

Eligibility- student must be a high school junior and a direct descendant (i.e. child, grandchild, great grandchild or a legally adopted child) of a U.S veteran who served

during war time. Students must participate and complete either an American Legion Boys State or American Legion Auxiliary Girls State program.

An application should be given to each participant of the programs. Each program selects one application to forward to the American Legion National Headquarters. These applications become national finalists and are reviewed by the National selection committee each fall. National winners usually receive a \$10,000.00 scholarship. Each national finalist will receive up to \$1,000.00 scholarship if he/she is not selected as a national scholarship winner.

American Legion Auxiliary Girls Nation – Two girls are selected from each American Legion Auxiliary Girls State program to attend American Legion Auxiliary Girls Nation program each year. American Legion Auxiliary Girls Nation “Senator” meet for a week in Washington D.C., where they run for political office, campaign for the passage of legislation and meet with Congressmen and Senators from their states. Capping off the week of American Legion Auxiliary Girls Nation is a possible meeting of the President of the United States at the White House. The American Legion Auxiliary Girls Nation is normally held in July. The two delegates selected to represent Alaska receive a \$2,000.00 scholarship from the American Legion Auxiliary Department of Alaska. Two additional girls are selected as alternates for the American Legion Auxiliary Girls Nation program and receive a \$1,000.00 scholarship from the American Legion Auxiliary Department of Alaska.
